Halloween's a sudden BOO!!

*Halloween's a sudden BOO!!
And just as quick a scream:
Laughing in the scary dark,
Loving friendly fright.
On Halloween, witches come true;
Wild ghosts escape from dreams.
Each monster dances in the park,
Eating candy like a shark--
Now kiss and say goodnight!*

Hobnob with the hobgoblins

*Hobnob with the hobgoblins
And gather with the ghouls!
Let the monsters in your heart
Loose to run with wolves!
Open up your happy Hell,
Window on your weir!
Even as you know quite well
Each demon from your dungeon will
Not ravish long your fear.*
